

# Campos de Sueños 10/22

This month was filled with many challenges but also with many exciting blessings! We were blessed to have part of the STBC leadership team with us. They helped us visit several homes and spent some time with our leaders and helpers and also helped us to serve the children. They plan to return in March with a group of 30!

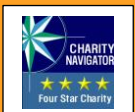

Children's Day is a very exciting day at Campos de Sueños. The house was packed – over 800! We had a special guest, served a special meal and on the way out, all received a bag of candy. But most importantly, they all got to hear that Jesus loves them!

During these almost 3 years of pandemic, we have been giving the meals to go but mid-September, we began to serve the meals inside again. We sure had missed seeing those smiling faces behind the masks! The kids were also very happy to be able to sit and eat their meal before their lesson and other activities!

We thank and praise the Lord for all that He is doing! This month, Paige and I are especially thankful to the Lord for being with us for the last 41 years of marriage! We are also grateful for your prayers and financial support that allows us to make a difference in the lives of the children and families in the name of Jesus!

With much love and appreciation from the Miño family and the CDS Team!
